

Dear reviewer,

I am pleased to write this letter of recommendation for Robert Slangen, whom I had the pleasure of working with during my time as Director of Operations at Eastside Music School.

Robert served as one of our voice instructors and consistently demonstrated professionalism, reliability, and a genuine commitment to his students. He has a natural ability to connect with learners of all ages and skill levels. He consistently created a supportive environment that encouraged each student to grow and express themselves.

One of the qualities I appreciated most about Robert was his willingness to step up when the school needed support. When another teacher had an unexpected extended medical leave, Robert graciously absorbed a significant portion of that teacher's studio, taking on additional students while maintaining the same high level of care and consistency. His flexibility, positive attitude, and dedication helped ensure a smooth transition for both students and families during a challenging time.

Robert is not only a talented musician and educator, but also a dependable team member who genuinely cares about the success of his students and colleagues. I have always found him to be thoughtful, communicative, and easy to work with.

I confidently recommend Robert for any teaching or educational role and believe he would be a valuable asset to any organization fortunate enough to have him.

Please feel free to contact me if I can provide any additional information.

Sincerely,
